THIS INSTRUCTION BOOKLET CONTAINS **IMPORTANT** SAFETY INFORMATION. PLEASE READ AND KEEP FOR FUTURE REFERENCE.

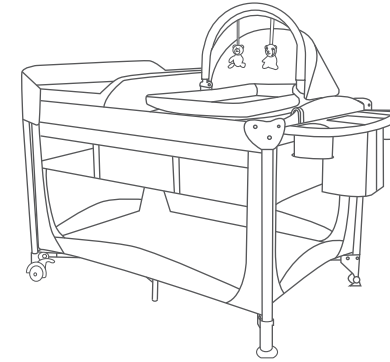

Before You Start

Please read all instructions carefully and keep it for future reference.

General Warnings

- ⚠ Attention: To prevent possible injury by entanglement, remove this toy when the child starts trying to get up on its hands and knees in a crawling position.
- ⚠ Danger! Keep all small parts and packaging materials for this product away from babies and children, otherwise they may pose a choking hazard.
- ⚠ The product must be installed and used under the supervision of an adult.
- ⚠ Read through each step carefully and follow the proper order.
Remove all packaging, separate and count all parts and hardware before installation.
- ⚠ Please ensure that all parts are correctly installed, incorrect installation can lead to a danger.
- ⚠ We recommend that, where possible, all items are assembled near the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- ⚠ Ensure a secure surface during installation, and place the product always on a flat, steady and stable surface.

IMPORTANT!

To ensure safe operation of your baby playard, please follow these instructions and keep for future reference.

IMPORTANT!

Before assembly and each use, inspect this product for damaged hardware, loose joints, missing parts or sharp edges.
Never use if any parts are missing or broken.

⚠ WARNING

Infants can suffocate:

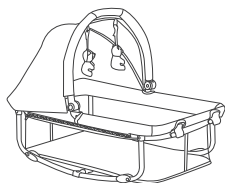

1. In gaps between the mattress and the sides of the baby playard.
Ensure that the mattress is the correct size for your baby playard.
* You should not be able to fit more than 2 fingers between the sides of the baby playard and the sides of the mattress.
2. On soft bedding, loose pillows, duvets, cot bumpers. Soft toys should be removed from baby's sleep space.

⚠ WARNING

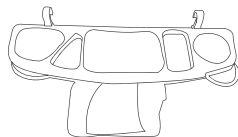

Failure to follow these warnings and the instructions could result in serious injury or death.

PRODUCT LIST

WHEN OPEN THE PARCEL, PLEASE CHECK IF IT HAS CONTAINED THEM ALL LIKE BELOW:

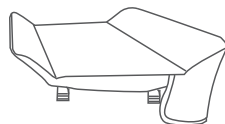

Carry Cot

Side storage tray

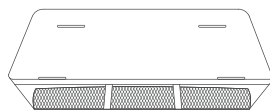

Mattress

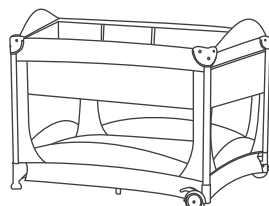

Changing table

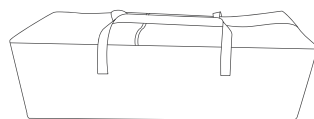

Second layer tubes

Second layer with zipper

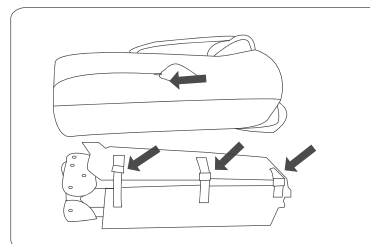

Basic playard

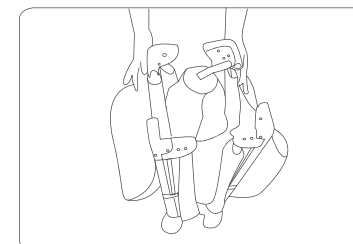

Carry bag

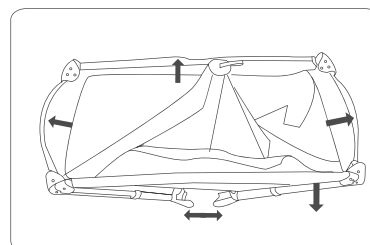

HOW TO OPEN THE BED

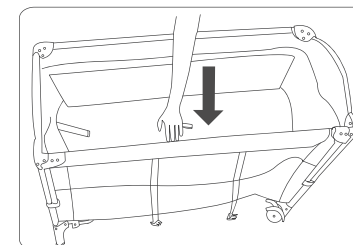

1. Unzip the carry bag and take out all items.

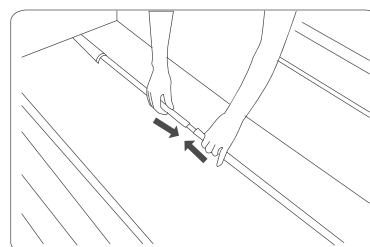

2. Expand out 4 feet.

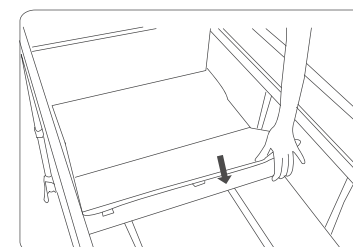

3. Pull up two short sides, and then pull up two long sides.

4. Press down from the middle.

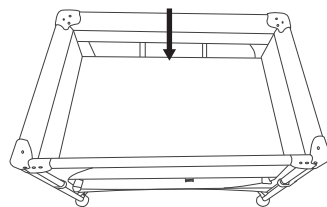

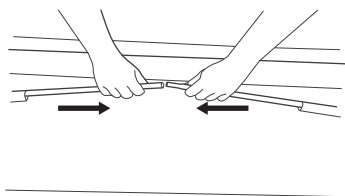

5. Connect 4 tubes.

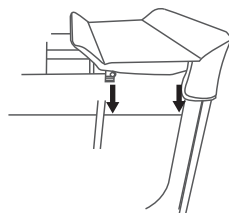

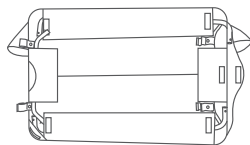

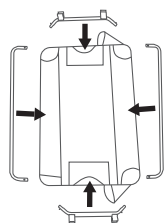

6. Put the mattress on the second layer.

SECOND LAYER INSTRUCTION

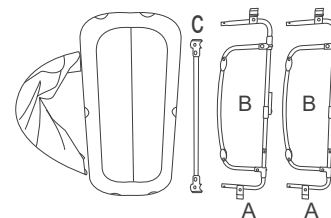

1. Zip on the bassinet and cover the zipper with the zipper cover to avoid baby from getting injured.
2. Take out the two tubes and push the ends of the steel supports into the textile tunnel, then lock the pairs of steel supports.
3. Once the bassinet is zipped on, the tubes are inserted and the bassinet is firm, then put the mattress on it.

CHANGING TABLE INSTRUCTION

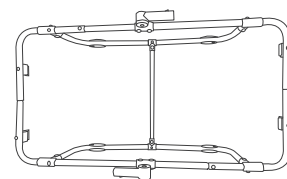

1. Put the all tubes into the four fabric holes .
2. Connect the all tube ends together .then together velcro straps.
3. Attach the changing table by hooking the plastic hooks on the two long sides. Make sure all hooks are securely engaged with the rails.

CARRY COT INSTRUCTION

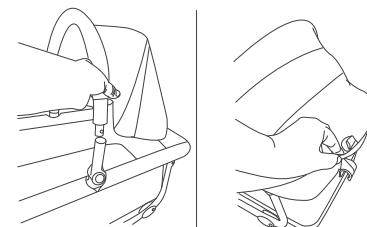

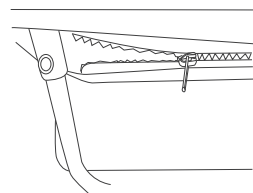

Part List

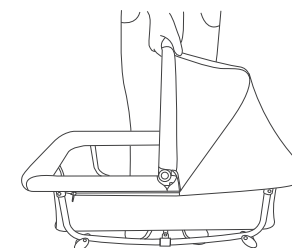

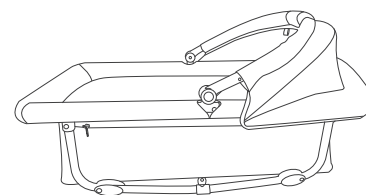

1. Connect two A tubes end together.
2. Expand B tube vertically, and connect the C tube to the middle of B tubes as shown.

3. Pull up the zippers of the two side top rails as shown.

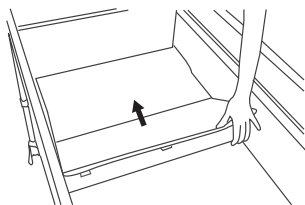

4. Attach the canopy as shown .

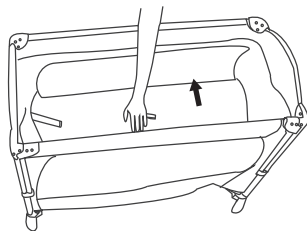

5. Expand the tube of handle vertically when your use it as shown.

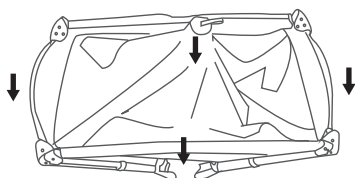

FOLDING THE BABY PLAYARD

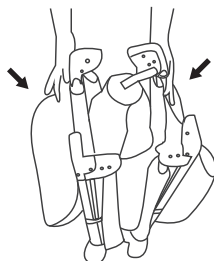

1. Remove the mattress from the bottom base to loosen the structure.

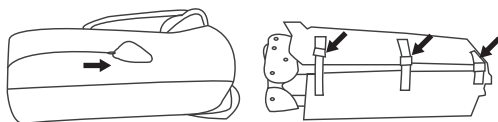

2. Pull the plastic lock on the bottom base up to loosen the structure.

3. Hold the plastic lock and push downward the side rails, do the same thing for the four sides.

4. Pull all four corners of the basic playard together.

5. Place all parts and basic playard on the mattress, wrap up the baby playard with the mattress and fasten them together with velcro straps, then put it into the carry bag and zip it up.

SPECIAL NOTICE:

When folding the bed (Figure 11), please press the bed body firmly. Because the long side handrail is not fully compressed, you need to fold it again to press the long side handrail button until its flank is at a right angle (Figure 12).

- This product must not be used for children weighing more than 33lbs(15kg).
- Always secure the baby on the changing table with the safety belt.
- NEVER leave baby unattended.
- Never use the baby changing table if any parts are defective, broken or missing. When changing baby on the changing table, ensure that the wheels are always in a locked position.
- Regularly check all assembly fittings.
- Please clean, maintain and check this product regularly.
- Any additional or replacement parts must be obtained exclusively from the manufacturer.
- Keep the product away from the intense heat of open fires, electric or gas heaters etc.

Return / Damage Claim Instructions

-  **DO NOT discard the box / original packaging.**
In case a return is required, the item must be returned in original box. Without this your return will not be accepted.
-  **Take a photo of the box markings.**
A photo of the markings (text) on the side of the box is required in case a part is needed for replacement. This helps our staff identify your product number to ensure you receive the correct parts.
-  **Take a photo of the damaged part (if applicable).**
A photo of the damage is always required to file a claim and get your replacement or refund processed quickly. Please make sure you have the box even if it is damaged.
-  **Send us an email with the images requested.**
Email us directly from marketplace where your item was purchased with the attached images and a description of your claim.
