CAUTION!

- Read the entire instruction manual before you start installation and assembly. Improper installation may result in damage or serious personal injury.
- Adult assembly required. Product contains small parts that present choking hazards for children.
- Never fully tighten the screws until all hardware has been assembled and in proper place.
- Never allow corrosives, moisture, or chemicals to make contact with the product as surface damage may occur. Should this happen, clean the surface immediately using a damp cloth.
- The product is intended for indoor use only, using the product outdoors or in an uncontrolled environment may result in product failure.
