CLEANING

To ensure the long-lasting use of your changing table, dry it with a soft absorbent cloth after use. Use a damp cloth to clean the frame. Do not use abrasive cleaners. Allow it to dry thoroughly. Removable and non-removable fabric covers and trims may be cleaned using a damp cloth with soap or mild detergent. Allow it to dry completely before folding or storing it away. Do not dry clean, or use bleach on fabrics or trims. Do not machine wash, tumble or spin dry, unless the care labelling on the product permits these methods.

MAINTENANCE

Check changing table regularly to ensure that locking devices and components are secure and working properly. Always check parts regularly for tightness of screws, nuts and other fasteners – tighten or replace if required. To maintain the safety of your changing table, seek prompt repairs for bent, torn, worn or broken parts. Use only those parts and accessories approved by us. To prevent mould or mildew, do not fold or store the product if it is damp or wet. Allow it to dry thoroughly. Always store the product in a well ventilated area and away from direct sunlight.
