* The reference number is indicated on the carton above the gencod.
No tools are required for the assembly.

Assembly instructions

1 - Gently lower branches into proper position(Figure 1). Each Branch must be shaped to a natural position by spreading out the left and right tips away from the center tip. Continue to lower branches on upper section(s) in the same manner making sure not to place undue pressure on the brackets.

2 - Unfold one by one the branches beginning by the lower branches.

3 - Make final adjustment and trimming of the tree.

The tree is now ready to be decorated. Ensure that the decorations are uniformly distributed evenly on the tree.

Disassembly and storage

Remove all decorations.

Disassemble the tree in reverse order of the assembly.

For a better conservation, store the tree in its carton box in a cool dry place. Do not store when humid.

Caution

To be assembled by or under supervision of an adult.

Keep plastic bags out of reach of young children.

Keep away from fire or hot temperature. Do not light a candle on or near the tree. Do not leave lighted lighting chains unattended.

Do not overload the tree with heavy and/or too numerous decorations.

Place the tree on a plane surface in order to ensure its stability.

This tree is intended for indoor use only.

Keep an eye on young children.

Keep those information for future reference.
